

BIEM's of Light

Monthly praises and prayer requests from:

January 2019

Praises – Rejoice with us!

- ❖ We had requested prayer for Ira, the sister of one of our missionaries in Central Asia. Ira had cancer, which required a hysterectomy. Surgeons successfully removed the tumor. However, in the process they also found her left tube was severely infected and about to burst. Praise our Lord that they operated in time to catch that. Thank you for praying!
- ❖ Such a cause for praise! BIEM's Igor Fomichov shares that, after 18 years of praying for the salvation of his parents, both of them have now placed their faith in Christ! His father is already with the Lord after having accepted Christ early in 2018, and before year's end, his mother, too, repented. Hallelujah! Never stop praying for loved ones!
- ❖ In Central Asia, a Christian woman needed an operation on her neck during the last week in December. The surgeons were amazed at how smoothly everything went, and she was able to talk quite soon afterward. "Peace" used that opportunity to share her faith in the hospital, where she led two women to Christ!
- ❖ The year 2019 marks 38 years of God leading, guiding, and blessing the ministry of BIEM for His glory. There have been plenty of challenges along the way, but we thank God for blessing in every one of those years. We also praise Him for *you* who stand with us!

Prayer – Pray with us!

- ❖ Literally all of BIEM's missionaries have been involved in special evangelistic outreaches for Christmas and New Year. (In Eastern Europe, the Orthodox calendar places Christmas on January 7, so special services and follow-up are still happening.) Please pray for the salvation of souls!
- ❖ Opportunities have opened up to conduct regular ministries in two orphanages in Ukraine. Finances are needed to conduct these outreaches on a regular basis. Please pray about this need so that in hearing the Gospel, these needy children will embrace Christ and gain a Heavenly Father.
- ❖ In Yucay, Peru, missionary Juan Bautista Huilca Quispe also has a vision for evangelizing another nearby town called San Juan. He requests prayer for God's guidance in that effort.
- ❖ During our Winter Kiev Seminary session this month, plans will be laid for a special missions conference targeting Central Asia in connection with the Spring seminary session. Please pray that God would enable and bless such a conference for our seminary students.
